

ARC CENTRE OF EXCELLENCE IN

CONVERGENT BIO-NANO SCIENCE AND TECHNOLOGY

CBNS Early-Career Researchers Public Engagement Training

About this workshop

Hear Dr A. Wendy Russell, Principal Consultant and Director of Double Arrow Consulting, speak about how you can equip yourself with skills in public engagement, outreach and dialogue. Learn how to communicate your research by utilising these methods in planning your dialogue activities for public speaking.

Wendy is currently a sessional academic at the Centre for the Public Awareness of Science at ANU, an associate of the Centre for Deliberative Democracy and Global Governance at University of Canberra, and a member of the International Association for Public Participation (IAP2). She has certificates in public participation, a Cert IV in training and assessment, and has completed training in facilitation, science writing and tertiary teaching.

Tuesday 24 October

The University of
Queensland

Law Department
(Forgan Smith Building)

10am - 4pm
