1. Welcome
2. Minutes from last Committee meeting
Accepted
3. Report on action items from previous meeting
Accepted
4. Update from Outreach Sub-Committee Meeting
 - The Outreach Sub-Committee met on Wednesday 12 June 2019
 - Upcoming events include Bio-engineered symposium (21 June 2019) and National Science Week (10-18 August 2019)
 - An EoI was submitted for CBNS to participate in Melbourne's MPavilion event in March 2020
 - The first Podcast series will be launched with the July newsletter. The Outreach Sub-Committee are investigating potential interviewees for 2020

Action Item: SSF to circulate National Science Week CBNS events to Education Committee

5. FBNS update
 - **AG** provided an update confirming that the venue, date and first plenary speaker are locked in and a draft programme is in circulation
 - Sponsorship is doing well, with over \$10,000 confirmed
 - A second plenary speaker and panellists are needed

Action item: All Committee members to circulate event communications to drive final year PhD student and Early-Mid Career Researcher attendance.
6. Illustrator Workshop
The facilitator (Mr Ash Every) has confirmed workshops. Invites have been sent with capacity reached for the Monash workshop and 5 registrations (to-date) for the UQ workshop.
AB noted that there may be an issue with participants attending the UQ workshop and a need to have an Adobe log-on.

Action Item: SSF to monitor Qld registrations for non-UQ registrations.

7. Media Training
The ACEMS, CBNS and CLEX 2nd Media Training workshop for 2019 is to be held at UNSW during the last week of August. The exact date and times are to be confirmed.
8. FIJI/Image J Workshop and Animal Imaging Workshop
The Fiji/Image J workshop and the Animal Imaging Workshop will be held at UQ on the 10 & 11

and 12 & 13 September respectively. Interested delegates should first discuss with their supervisor and can attend one or both workshops.

9. All other business

NJ updated the Committee that the first Industry Partners Program (IPP) Committee meeting was held on 10 June. The IPP Committee will meet three times in 2019 and an update will be shared with the Education Committee after each meeting. An industry day is being planned for 26 November at Monash.

Action Item: NJ/SSF to provide the Education Committee with an IPP Committee meeting update after the 6 August and 14 October meetings.

Next meeting – 16 July 2019
